- Use Chrome or Safari (Chrome is preferred)
- Resize Teams so you can see both my screen and yours at the same time! (split screen)
- Or log in to ClassFlow with a second device.
- Or toggle between two tabs.

The screenshot shows the ClassFlow login page. At the top, the URL is `prod.classflow.com/classflow/#!/login`. The page features the ClassFlow logo and a navigation menu with the following items:

- Back to Home
- Search and find lessons and content
- Deliver interactive and collaborative classes
- Assess and reward learning in real-time
- Extend the classroom with assignments and class posts

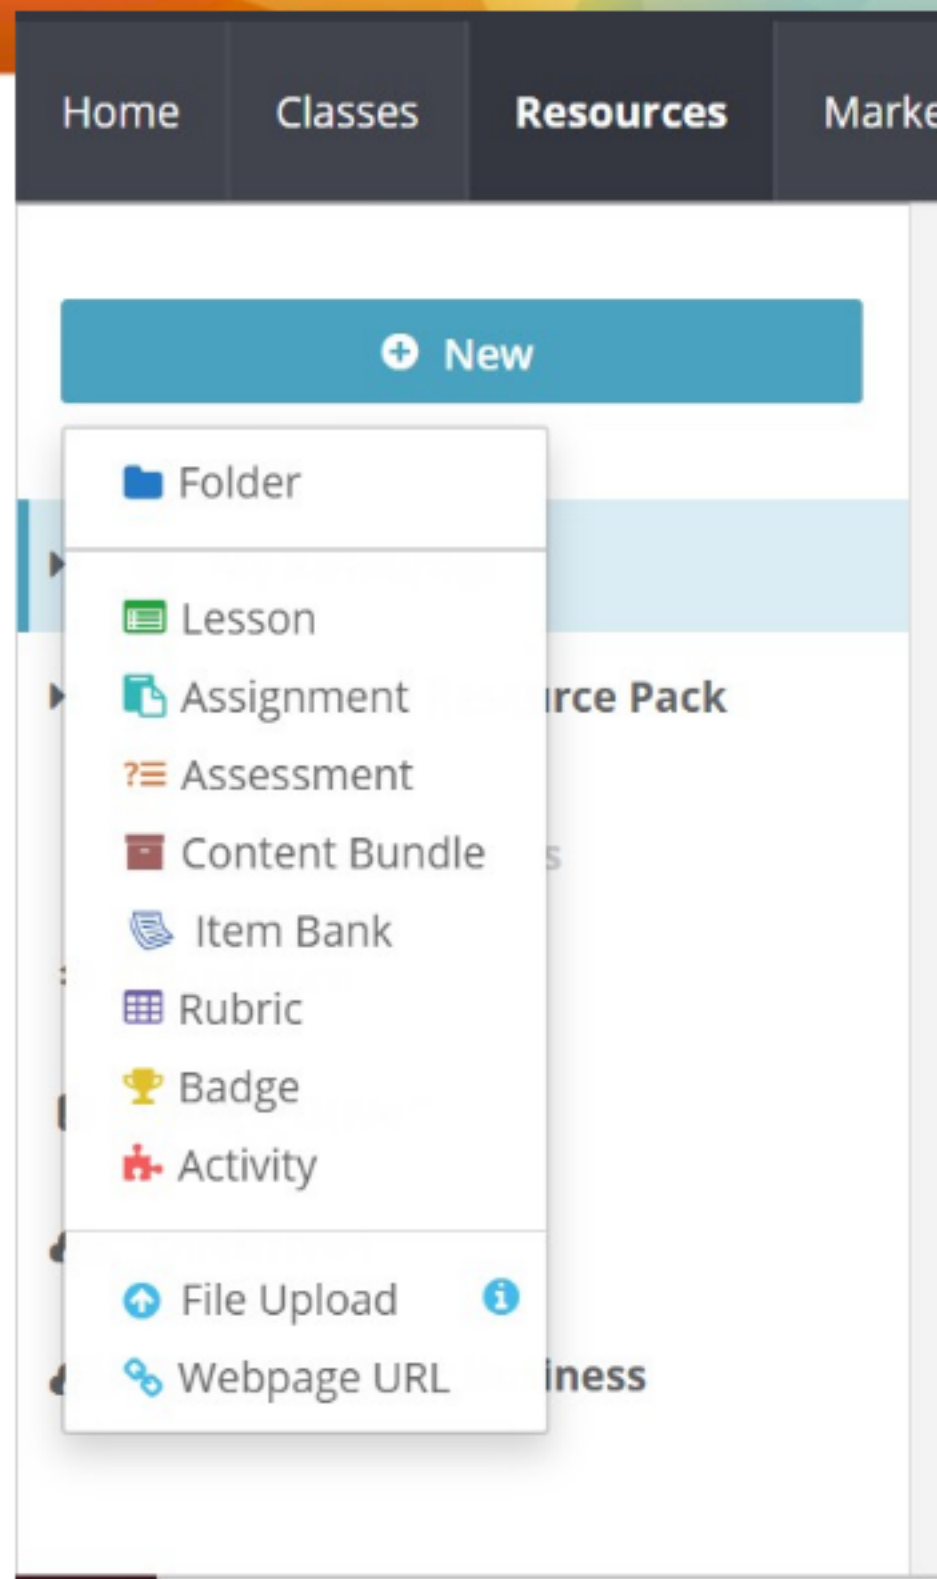

There are two prominent buttons: a blue "Log In as a Teacher" button and a green "Log In as a Student" button. At the bottom, there is a link: "Need an account? Register here."

The screenshot shows the ClassFlow Lesson Builder interface. A welcome message reads: "Thank you for joining! We will get started shortly! While you wait....Please sign-in to today's training by going to: [bit.ly/Wolsker](https://bit.ly/Wolsker) and select 'ClassFlow Orientation'". Below this, a note states: "\*You will have time to practice and play today, so it is important that you have already created a ClassFlow account." The agenda includes:

- Quick Tour-Instant Whiteboard, Quick Polling, Activities, Assessments
- Creating Classes & Enrolling Students
- Uploading Resources & Sharing Resources on classfeed
- Creating Lessons (Quick Overview)
- Reminder about Marketplace-FREE Resources
- Q/A and Practice

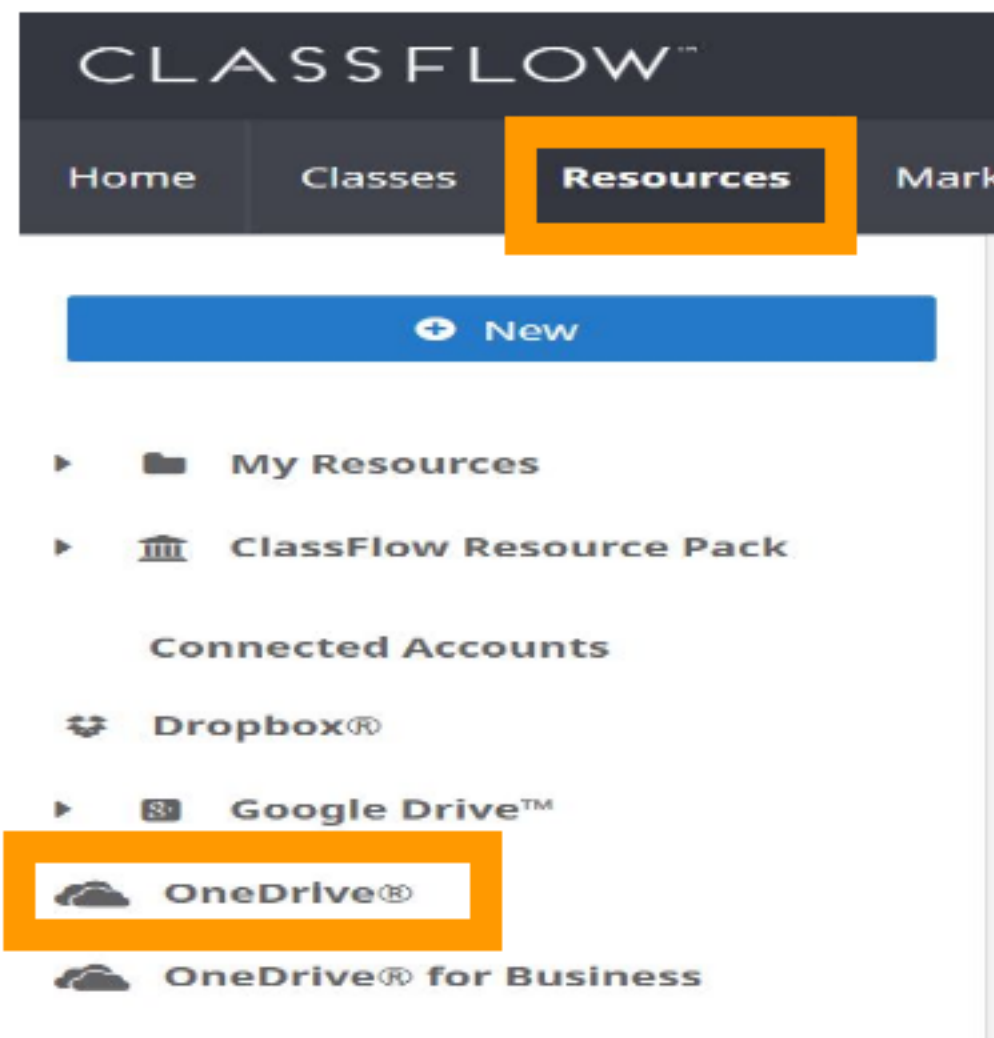

At the bottom of the interface, there are navigation controls: a back arrow, a split-screen icon, a left arrow, a right arrow, and a "Show Names" toggle switch.

Always give your lesson a title!

Insert allows you to insert files, resources, etc.

Great way to have multiple teachers edit a lesson in real time.

Teacher cards vs. Student cards
